DRAW YOUR OWN
STYLES HERE.

A&A Granite Marble offers a wide variety of edge styles, generally classified in one of three categories - Standard, Custom and Ornate. All styles are available in either 3cm or 4cm thick granite.

Note that these are artistic interpretations of the basic styles, and may not necessarily be drawn to scale. Note as well that these are these are samples of what we can do - talk to us about how to expand on these ideas for your own look!
